**SteadMed Medical to Become the Distributor of TRIACT and Restore Products  
with TRIACT Technology**

Valued Customer,

SteadMed Medical's is helping clinicians help patients through innovative technology platforms that have the potential to transform wound care treatment. In our efforts to continue this mission, SteadMed Medical is excited to announce that, following a transition period with Hollister Incorporated, SteadMed will undertake the distribution of the TRIACT and Restore portfolio with TRIACT Technology. The addition of these innovative and clinically relevant brands provides SteadMed an even broader portfolio to assist clinicians and patients in the wound healing process.

In an effort to minimize disruptions during this transition period, SteadMed and Hollister will work closely together and have agreed to the following for the remainder of 2018:

- **Products:** There will be no changes to product codes (SKU), box quantity or box dimensions. Please find below a list of the products to be transitioned.
- **Ordering:** You will continue to order TRIACT and Restore products with TRIACT Technology as you do today through Hollister. For any questions regarding orders please contact Hollister Customer Service at 1.800.323.4060.
- **Contracts:** Existing Hollister contract agreements for these products remain in effect.
- **Product Support:** Product in-servicing and support will transition to SteadMed field sales personnel effective immediately. Any product support needs should be directed via email to [info@steadmed.com](mailto:info@steadmed.com) or by calling 1.855.888.8273.

Over the coming months you will receive additional updates on the transition and what to expect in 2019.

Please feel free to share this communication with others in your organization that would benefit from this information.
